## Experience

**| Capital One - McLean, VA** Jun 21 – Aug 21

*Agile Delivery Lead Intern*

www.capitalone.com

- Supported a forecasted \$85M+ increase in monthly revenue by crafting execution strategies for consistent solution delivery.
- Stood up 2 teams in the largest business unit - identifying and mitigating dependencies, risks, and bottlenecks maximizing productivity.
- Collaborated with Product, Ops, and Tech stakeholders to define and maintain an initiative roadmap ensuring alignment with business goals.

**| HexLabs Inc. (formerly HackGT Inc.) - Atlanta, GA** Nov 19 – Nov 20

*CFO, Director of Finance & Co-Director of Marketing*

hexlabs.org

- Secured \$150k+ within 4 months to ensure the success of HackGT 7 through pitching HackGT's value proposition to corporate partners.
- Doubled profit margins while increasing event size by 25% by developing and implementing novel fiscal and operational strategies.
- Managed HexLabs's operating expenditures and ensured financial security and stability throughout the COVID-19 pandemic.

**| Capital One - Richmond, VA** Jun 20 – Aug 20

*Process Management & Project Management Intern*

www.capitalone.com

- Prototyped and presented dashboards to relay 40+ key insights regarding control standards to process owners and account executives.
- Managed and designed reporting tools to road map and track a framework's development for executive leadership.
- Built internal team sites on organization's CMS to maximize exposure across various lines of business.

**| NCR Digital - Atlanta, GA** May 19 – Aug 19

*Strategy Consultant Intern*

www.ncr.com

- Created prototype designs and conducted market research to drive customer engagement for a \$2.69b hospitality client's flagship store.
- Designed a profitable service offering and explored the various forms of implementation based on market needs and customer pain points.
- Won honorable mentions out of 200+ interns at final expo by building innovative services driving digital transformations to convert potential clients to committed partners.

**| Allstate - Frisco, TX** Mar 18 – Mar 19

*Sales Associate/State Licensed Agent*

www.allstate.com

- Generated over \$10,000 revenue in 3 months for the agency by closing policies with clientele.
- Contacted 100+ clients weekly and prioritized sale of clientele policies based on projected sales value and interest.
- Obtained a "General Lines Agent: Property and Casualty Insurance License" issued by the State of Texas's Department of Insurance.

**| The Freeman Company - Dallas, TX** Jun 18 - Aug 18

*Intern (Product Management and Digital Solutions)*

www.freeman.com

- Architected an implementation plan to ensure an upcoming product could integrate into Passport (Freeman's SSO system).
- Designed a testing process and environment to aid developers in troubleshooting and validating a proof-of-concept (POC) across OS's.
- Translated business intent into actionable items through user stories and delivered documentation to enable POC for enterprise scaling.

**| National Breast Cancer Foundation - Frisco, TX** Jun 17 - Aug 17

*Business Systems Intern & Junior Project Manager*

www.nbcf.org

- Pitched communication solutions to CFO & CSO, researched market solutions, and directly trained 50% of all employees on chosen tools.
- Reduced communication barriers across the entire organization by an end-to-end implementation of a new internal communication tool.
- Minimized "Idea-to-Delivery" times by designing and implementing a Project Request System to maximize efficiency within the organization.
